

I am opposed to the LPFM broadcast service which the FCC has introduced. The expansion of this service may force radio stations like K-LOVE off the air. K-LOVE radio supports wholesome values and has a positive and encouraging impact on my community and many other communities across America. K-LOVE radio is a very important part of my life and that of my family. Please reconsider your plans to expand the LPFM service. It would be a great disservice to our community to lose such a wonderful radio station like K-LOVE.
